6 minute walk
from Polsloe
Bridge Station.

Saturday 10th October

Information and Recruitment Event

Drop in and join us!

(Light refreshments provided)

We're looking for people **aged 55+** (by move-in in late 2028) who are excited about **neighbourly living** and want to help shape a new cohousing community from the start. Enjoy low maintenance adaptable homes in communal grounds, a fabulous historic Common House for shared activities, and the support of friendly, caring neighbours. Residents share in **decision-making** and **keeping service costs low**, fostering a community that reflects their values and priorities.

Together with experienced developer Aspen Retirement, who own our site in **Exeter**, a group of us are planning a community of **37 eco-friendly homes** with shared green spaces.

Please book here to let us know you're coming!

or via our website:

www.cohousingexeter.com
